## St. Andrew's Presbyterian Church

International Church of Kuala Lumpur

Our mission is to *“Make, nurture, and equip disciples of Jesus Christ from the international English-speaking people in Kuala Lumpur.”* We take it seriously, for it has been given to us by God. To fulfill it, we need his guidance. This is given to us in his holy Word, the Bible.

Each disciple of Jesus Christ is destined for Heaven. In Heaven, we shall fulfill perfectly the reason for our creation: to glorify God and to enjoy him, forever. Yet, we have come to St. Andrew’s at different junctures along our spiritual journey. For this reason, St. Andrew’s has drawn up a road map (see overleaf) to help each of us make progress spiritually, whether as a preliminary seeker or as a mature server. We invite you, then, to upload your GPS, to type in the destination, and to follow the directions:

- The column “Access Level” depicts the main highway and the numerous slip roads into the life of St. Andrew’s. Pick the one that best describes you.
- The column “Learning” illustrates the opportunities best suited to your stage of spiritual development. Listen out for announcements concerning them.
- The column “Belonging” indicates that we do not journey or learn in isolation. Besides the worship of the Lord’s Day, there are an array of small groups to further your growth in Christ.
- The column “Serving” is a reminder that growth entails not only taking in but giving out. The more we take in the greater the responsibility and joy we have to share what God has taught us.

Under God’s good hand, St. Andrew’s seeks to *“become a biblically-grounded, Christ-centered community, united in love and using our gifts for the building up of the church in Kuala Lumpur and throughout the world.”* Do join us for the journey, inviting others along to travel with us!
