**Opening prayer**

**Opening Hymn**

**Prayer of Confession**

Almighty God, we are thankful You have called us into your presence today. We love You but we confess we are so weak and so easily distracted that our affections often drift away from You to the aimless and fruitless temptations of this world. Our minds know better, but we forget; our eyes lust for the things of the world and we are deceived, our hearts embrace what is temporal and we ignore the eternal. We confess all these things and ask that you forgive us. Use these moments to restore our focus and strengthen our resolved to live for you. Amen.
